## Getting Started

## Smart Controller

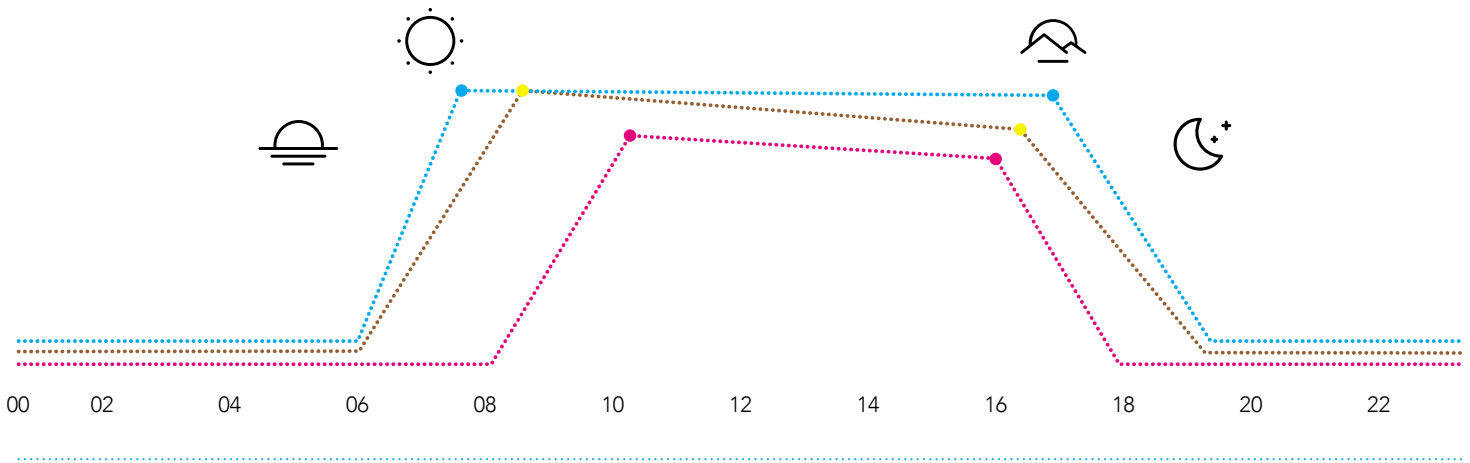

The new Aqua Air comes with a variety of settings: clock, timer, LEDs channel, special effects (sunrise, sunset, thunderstorms), demo and factory reset. You can use the "demo" to check all the settings in 1 minute and you can reset your Aqua Air by choosing "factory reset". Furthermore, the Aqua Air has 3 LED-channels and can be set separately. It's including the channels of white, blue and special (UV, green, red, warm white).
